Three Bedroom Stone Built House in Pano Lefkara

€345,000

Pano Lefkara, Larnaca

Fully and newly restored, stone-built village house in the center of the stunning Pano Lefkara village.
Occupying two storeys with spectacular mountain, lake and sea views from the upper floor, through ‘floor to ceiling’ double glazed sliding windows that serve as an open lounge space during the summer months.

The restoration of this amazing home commenced in 2004 and completed the following year, however the current owner made upgrades to the property during 2019 through until 2020 and again recently in 2024/2025 (new photos
