Description

A one of a kind private development of only 4 beautifully designed contemporary villas each with a generous plot size of 725 sq.m. located in the most prestigious neighborhood of central Protaras.

Nestled in the tranquil hillside area, Green Haven Residences offers the highest standard of luxury and comfort with an emphasis on stunning gardens that blend naturally with the living space and the lush and natural surroundings of the area.

The elegant exterior is of contemporary design with finishes of marble, stone and wood while the interior with its' deluxe fittings, complement the natural light that sweeps through the entire home. The ground floor comprises a kitchen with granite worktops, a bright and spacious open plan dining and lounge area and guest WC. Upstairs leads to 4 bedrooms, 2 of them en-suites, and 1 family bathroom.

The jewel of the property is the expansive overflow swimming pool with a water fall that embraces the residence, surrounded by multi-level lounging areas that unfold from wooden decking both above and below the pool. The garden has been created for the ultimate Mediterranean outdoor lifestyle.

The location is slightly elevated and offers amazing views of the nature reserve area, the hills and the sea. With the option of a roof garden, even more stunning panoramic views can be enjoyed.
