Description

This unique six bedroom family home is positioned in a quiet village location and offers beautiful peaceful surroundings.

Upon entering this fabulous home you are met with spacious living accommodation with the lounge benefitting from a feature fireplace, great for keeping warm in those few winter months in Cyprus. There is also a dining area situated to the left of the property.

To the right of the dining area slightly offset is the fully fitted kitchen with plenty of cupboards and kitchen worktops. Via a side door is a covered veranda offering views to the garden. There is a side staircase leading down to the colourful mature garden with a private 7x4m swimming pool which also leads you to the basement three bedroom self contained apartment. The separate apartment enjoys a spacious lounge, a separate kitchenette come dining area, three bedrooms and a family bathroom. There is also a covered veranda which looks out onto the pool and garden.

Down the hallway of the main house are three double bedrooms all with a generous amount of wardrobe space. The master bedroom hosts an en-suite shower room, the size of your average family bathroom.

This property is a fantastic opportunity for someone looking for a potential small business, enabling you to live on the premises whilst maybe renting out the self contained apartment.

Centrally located in a residential area with all the benefits of a village life and yet only a twenty minute drive takes you to the beaches of Dhekelia and the main Centre of Larnaca Town, whilst a drive in the opposite direction takes you to the beautiful beaches of Ayia Napa.

Title Deeds are Available for the Land.

Size of the covered area is approximate.
