## Sea Front Building Plot for Sale 800m<sup>2</sup>

€1,650,000

 Dekelia, Larnaca

For sale is a primea building plot with a generous size of 720 m<sup>2</sup>, offering you a rare opportunity to create your dream home or investment property right on the seafront. This is a unique chance to enjoy uninterrupted views of the sparkling blue sea, with the gentle sound of the waves at your doorstep.

The plot is spacious and well-shaped, making it easy to design and construct a variety of building styles, whether you dream of a modern villa or a classic coastal retreat. With direct access to the coastline, you will be able to swim, sunbathe, or simply relax and watch the sunset every evening.

Ideal for those seeking peace, privacy, and an unbeatable natural setting, this building plot combines beauty and potential. Utilities are available nearby to make building straightforward. Do not miss out on this exclusive opportunity to turn your vision into reality.

Advertised by Purple International Real Estate, committed to helping you find your perfect property by the sea. Please contact us for more information or to schedule a viewing.
