€1,100 /month

 Pervolia, Larnaca

This furnished two-bedroom house in Pervolia is available to rent at 1,100 EUR per month. The interior spans 82 square meters and comes fully furnished, so tenants can move in without arranging their own furniture.

The layout includes two bedrooms and one bathroom, sized for straightforward day-to-day living. As an existing property rather than a new build, it offers a ready-to-use home rather than a fresh construction.
