Development Land in Protaras - 3,389 m²

€650,000

 Protaras, Famagusta

This 3,389 square-meter plot sits in Protaras and offers substantial scope for residential or mixed-use development. The land is cleared and ready for planning and construction.

Protaras is a coastal resort town on the southeastern edge of Cyprus. Restaurants, bars, and beaches define the area, with Larnaca Airport roughly 45 minutes by road. The built environment comprises low-rise apartments and villas, and the shoreline opens onto sandy coves and clear water.
