# 1-Bed Apartment in Mesogi, Off Plan

**€200,000** +VAT

Mesogi, Paphos

This one-bedroom apartment in Mesogi spans 82.80 square meters of efficiently designed living space, offered off plan. The open-plan layout connects the bedroom, bathroom, and living areas with natural light throughout. A fully equipped kitchen serves the main living zone, and the apartment can be purchased furnished or unfurnished to suit your preference. Energy efficiency rated A ensures low running costs. The unit sits within a secure gated complex featuring elevator access, simplifying daily movement through the building.

Mesogi is a residential community in the Paphos district of western Cyprus. The area offers convenient access to a highway and nearby shops, restaurants, and services. Low-rise apartment buildings predominate in the settlement.
