## Top Floor 2-Bed Apartment in Universal

€510,000 +VAT

 Universal, Paphos

Elevated views across the sea set the tone for this top-floor apartment in Universal, designed with 83 square meters of modern living space and an energy efficiency class A rating.

Accessed directly by elevator, the interior encompasses two bedrooms and two bathrooms arranged around an open layout. The home is offered off-plan with optional furniture packages available to complete the interior finish.

Residents have full access to shared facilities within the gated complex, which includes a communal swimming pool and an equipped fitness gym.
