

Large Residential Plot in Pervolia with Country Views

€160,000

Pervolia, Larnaca

Positioned in the peaceful village of Pervolia, this generous 525 m2 residential building plot, offered at 160,000 EUR, presents an exceptional canvas for your custom home. Benefiting from tranquil country views, the site captures the relaxed charm of the Cypriot landscape while providing the space needed to bring your bespoke architectural vision to life.

With its well-proportioned boundary, the parcel allows ample flexibility to design a bright and comfortable residence tailored to your lifestyle. You can effortlessly plan an inviting indoor-outdoor layout complete with private landscaped gardens, sun-drenched verandas, and a swimming pool, all oriented to embrace the open natural surroundings.

Everyday convenience is close at hand, with local amenities, neighborhood shops, and traditional eateries situated just moments away in the heart of the community. Pervolia is renowned for its friendly, welcoming atmosphere and easy coastal accessibility, ensuring a lifestyle that balances serene rural quiet with everyday practicality.
