

Large Sea-View Building Plot in Pervolia with Panoramic Views

€160,000

Pervolia, Larnaca

Embrace an inspiring coastal opportunity with this generous 664 m2 building plot for sale in the peaceful seaside setting of Pervolia, just 10 minutes walk to the beach offered at 160,000 EUR. Designated within a tourist zone, this expansive parcel provides a wonderful foundation for creating a bespoke holiday retreat or custom residence tailored to celebrate Mediterranean living.

The property is distinguished by its panoramic views and captivating sea vistas, offering a breathtaking natural backdrop for visionary architectural design. With a sizable footprint, there is abundant freedom to plan bright indoor-outdoor entertaining spaces, private grounds, and sun-soaked terraces oriented toward the open horizon.

Everyday accessibility is effortless thanks to its close proximity to the highway, connecting you smoothly to neighboring areas while preserving the calm and welcoming atmosphere Pervolia is known for. Contact Purple International Real Estate today to arrange an on-site visit and take the first step toward realizing your vision.
