

Spacious Residential Plot in Kiti Close to Amenities

€167,000 +VAT

Kiti, Larnaca

Offering an exceptional canvas for your future home, this spacious 660 m2 residential building plot in Kiti presents an exciting opportunity to design and build a bespoke residence tailored to your lifestyle. With an asking price of 167,000 EUR (plus VAT), the generously sized parcel provides ample scope for comfortable living, private gardens, and generous outdoor entertainment areas.

The property's generous footprint allows for flexible architectural designs, whether you envision a contemporary family villa with a swimming pool or an elegant single-level home enveloped by landscaped grounds. Its favorable proportions ensure privacy while leaving plenty of room for creative indoor-outdoor living concepts.

Nestled in the welcoming community of Kiti, the plot enjoys a peaceful residential setting with everyday conveniences right at your doorstep. You will appreciate the close proximity to local supermarkets, traditional bakeries, cafes, and essential neighborhood services, blending relaxed village character with modern ease.
