Four Bedroom Detached House in Kiti

€485,000

 Kiti, Larnaca

This great sized family home is located in a quiet residential area on the outskirts of Kiti Village.

The property has been custom built to a high standard comprising of an Italian Brick exterior, Fibre Glass insulation and standard brick finish which adds thickness to the property walls making sure the house stays warm during the winter months and lovely and cool during the summer.

As you first enter the house you are met with a great sized formal living area consisting of a dining space and the comfortable sized lounge, all areas are surrounded by windows allowing the sunlight to flood the rooms. Continuing
